10. ORAL COMMUNICATION FROM THE AUDIENCE

T. Morris asked if there were any disciplinary appeals being heard today.

Comm. Okdie stated the appeals that were scheduled for today were moved to next week.

T. Morris stated she was at the scene in Warren where a young man was shot and killed. Just by observing the situation, she believes the officer was within his rights.

Comm. Okdie asked if the young man pointed the gun at the officer.

T. Morris stated when the officer asked him to stop, he turned around and stated "do you want some of this too."

Chairperson Holley asked if this is being investigated.

T. Morris stated yes.

Chairperson Holley stated because it is being investigated, they need to limit their conversation regarding this issue.

M. Lacy thanked the department for responding to her question as to how many police officers have been convicted for filing a false police report. The answer was none. She said that she did not think that was accurate. She also stated that according to the minutes that are posted on the Internet, she hadn't attended a meeting since December of 2008.

Exec Dir. Goss stated he will look into it.

Comm. Griffin stated it is clear that you have been here and asked if the minutes can be amended.

M. Lacy states her name is not on any of the 2009 minutes that are posted on the Internet.

She stated the reason she asked how many officers have been convicted is because she was involved in a case and had to go through the judicial process. She stated Chief Investigator Sheard has been doing this job for 10-12 years, and she disagreed with Sheard's finding that the officers "were just doing their job."

Chairperson Holley stated it sounds like you are not satisfied with the findings and there needs to be way to bring some closure to her concern.

M. Lacy stated she will be willing to have a meeting.

Chairperson Holley stated for the record Chief Investigator Sheard has been in that position a little more than 5 years.

He asked Ms. Lacy if she could put her concerns in writing.

M. Lacy stated yes.

E. Moore stated his purpose of being at the meetings is to observe how the Board deals with the citizens. He stated that his report has been very positive and supportive of this Board.

O. McElroy stated she also takes her report back to Councilperson Reeves and if she can be of some assistance please do not hesitate to call.

Chairperson Holley stated a request having been made by PO Sarah Markel, Badge 4008, he moved that the Board of Police Commissioners conduct a closed session, pursuant to MCL 15. 268 (a) of the Open Meeting Act, to consider a personnel matter relative to this individual.

MOTION: **Comm. Okdie** made the motion to enter into a closed session.

SECOND: **Comm. Griffin** seconded the motion.

VOTE: All in attendance voted in the affirmative.

Chairperson Holley stated the motion having been approved by a majority of the Board members, a closed session will now be convened.

SUSPENSION WITHOUT PAY OF POLICE OFFICER SARAH MARKEL, BADGE 4008, ASSIGNED TO THE NORTHWESTERN DISTRICT

On January 22, 2009, Internal Affairs received an allegation of misconduct involving on-duty Officers Vaden Cook, badge 933 and Sarah Markel, badge 4008, both assigned to the Northwestern District, who were working in full uniform and driving a marked scout car. It was alleged that Officer Markel had falsely broadcasted via radio that a vehicle was confirmed stolen, when it was not. Officer Markel failed to prevent the misconduct of Officer Cook and failed to report the misconduct of Officer Cook. Officer Markel's false statement and inaction led to the false arrest, false imprisonment, and injury of a civilian complainant.

Earlier that day, at approximately 2:30 a.m., the officers were patrolling the area of Braile and Plymouth, when they allegedly observed a white Ford Econo Line cargo van. According to Officer Cook's report, he pulled along the passenger side of the Ford Van, illuminated the interior with his DPD issued flashlight and observed the ignition punched with no keys. Based upon the alleged probable cause, the officers activated their lights and sirens in an attempt to effectuate a traffic stop. The officers reported that the complainant refused to stop and accelerated away. The officers followed the vehicle and a vehicular pursuit took place. Lieutenant Philip Love, badge L-85, assigned to the Northwestern District, monitored the pursuit. Lieutenant Love inquired, via radio, if the vehicle was confirmed stolen. Officer Markel broadcasted via the radio that the vehicle was confirmed stolen. It should be noted that the scout car was not equipped with a computer to verify the information through LEIN, nor did the officers request verification through dispatch.

The complainant stopped his vehicle at Wadsworth and Heyden. Officer Cook approached the van on the driver's side, and Officer Markel approached from the passenger's side. Officer Cook pulled the complainant out of the vehicle, causing him to fall to the ground on his knees. Both officers alleged that the complainant resisted and a struggle ensued. Officer Markel sprayed the complainant with her department issued pepper spray. Officer Cook placed himself on top of the complainant and ordered him to give him his hands. At this point, Lieutenant Love arrived on the scene and ordered Officer Cook to get off the complainant so that he could give him his hands.

The complainant sustained injuries during the arrest and was conveyed to Detroit Receiving Hospital (DRH).

Force Investigation interviewed the complainant at DRH. Contrary to Officer Cook's allegation that the ignition was punched with no keys, the complainant indicated the ignition was not damaged, that he was operating the van with the keys, and that he had rented the van from Enterprise Car Rental.

Force Investigation verified that the complainant rented the van from Enterprise Car Rental on January 20, 2009. The complainant also purchased the "Optional Damage Waiver" which provides additional coverage for the rental vehicle. Additionally, it was verified that the van was never reported stolen. Thus, Officer Markel's statement confirming the vehicle was stolen was false.

On January 23, 2009, DPD released the vehicle to Enterprise Car Rental and the vehicle was towed to a collision shop to repair the damage to the steering column. The person who repaired the vehicle was a certified motor vehicle mechanic. He opined, that based upon the type of damage to the ignition, the vehicle could not have been started or operated without the keys. Contrary to Officer Cook's alleged facts that the ignition was punched and being operated without a key, the type of damage to the ignition revealed that the vehicle could only have been started and driven with a key.

On February 16, 2009, Force Investigation and Crime Scene Services responded to Enterprise Car Rental located at 17657 Grand River, to take photographs of the cargo van involved in this incident and took measurements of the windows in a marked DPD scout car and the Ford van. The scout car windows measured 38" at the bottom and 54" at the top of the glass. The Ford van measured 55" at the bottom of the glass and 77" at the top of the glass. Contrary to Officer Cook's allegations that he observed the van being operation with a punched ignition without keys, an individual seated in the scout car could not have seen the ignition of the van because the highest point of the scout car window was a full inch shorter than the lowest point of the van's window.

On February 25, 2009, Force Investigation interviewed Lieutenant Love who indicated that he monitored the vehicular pursuit by Officers Cook and Markel. After he learned, via radio, that the vehicle had been stopped, he and his corporal responded to the scene.

Lieutenant Love stated he heard Officer Cook say he lost his two thousand dollar (\$2000.00) watch in the snow and observed him looking in the area where the complainant was handcuffed. Officer Cook stated he found it and placed an unknown object in his jacket. Lieutenant Love observed damage to the front end of the scout car and asked Officer Cook how it sustained the damage. Officer Cook reported that the van backed into the scout car. Lieutenant Love observed the van was stuck in a snow embankment and the tire tracks indicated that the scout car ran into the rear of the van.

Lieutenant Love requested the dispatcher to summon Sergeant Paul Glaza, badge S-50, assigned to the Northwestern District, to the scene to conduct an accident investigation. While he was talking to Sergeant Glaza, Lieutenant Love heard "thumping noises" coming from inside the van. When he turned to look at the van, he observed Officer Cook exiting the passenger side door of the van. He asked Officer Cook what he was doing inside the van. Officer Cook stated that he was checking the ignition. Lieutenant Love immediately checked the van with Sergeant Glaza. They observed a "gold or silver wing piece" to the ignition, on the floor of the van. Sergeant Glaza's statement was consistent with Lieutenant Love's statement.

On March 6, 2009, at the offices of Internal Affairs, Officer Markel was suspended with pay by her supervisor Lieutenant Love.

On March 10, 2009, a request for a felony warrant charging Officer Markel with Misconduct in Office was submitted to the Wayne County Prosecutor's Office.

Based on the facts and circumstances surrounding the aforementioned circumstances, it is recommended that Officer Markel be charged with, but not limited to the following violation of department policy and procedures:

CHARGE: CONDUCT UNBECOMING AN OFFICER, CONTRARY TO THE LAW ENFORCEMENT CODE OF ETHICS; THIS BEING IN VIOLATION OF THE 2003 DETROIT POLICE DEPARTMENT MANUAL SERIES 100, DIRECTIVE 102.3 - 7.9, CONDUCT UNPROFESSIONAL, COMMAND 1.

Due to the seriousness of the conduct, I am requesting your concurrence with the suspension of Police Officer Sarah Markel without pay, effective April 30, 2009.

Exec Dir Goss stated unless **contravened** by this Board, the above suspension without pay will stand.

Comm. Okdie contravened.

Comm. Griffin contravened.

Comm. Okdie asked for a special privilege from the Budget Committee for a Resolution in regards to the FY 2009-10 Budget, because Comm. Griffin is going before council on Monday.

MOTION: **Comm. Okdie** made the motion for special privilege from the Budget Committee.

SECOND: **Comm. Griffin** seconded the motion.

VOTE: All in attendance voted in the affirmative.
